Cyret Technologies is focused on solutions and services to provide a competitive advantage, enabling our customers to conduct and adapt their businesses to remain agile and effective.

Every customer is different and hence we personalize our solutions accordingly by finding imaginative ways to solve difficult problems.

Our experience, proven success and focus on client satisfaction ensure a streamlined process and cost-effective solution. Our focus on customer success has resulted in winning accolades for multiple Customer Success stories from Oracle.

FY13 Strategic Deal Partner Excellence Award

Cyret has won Oracle's FY13 Strategic Deal Partner Excellence Award.

This award is in recognition of Cyret's commitment towards driving business success, opening up new market segments and exemplary customer commitment.

JD Edwards Partner of the Year 2012-2013

Oracle has named Cyret as the JD Edwards Partner of the Year 2012-13.

The award recognizes and augments Cyret's contribution to Oracle for Application services and acquisitions of major customers.

This achievement highlights Cyret's status as the Best Oracle Partner in the JD Edwards arena.

JD Edwards Summit - Success Story Award

Cyret Technologies won the Success Story Award at the Oracle JD Edwards Summit in Denver, USA.

The award was in recognition for work for Arabian Beverage Company, a top Kuwaiti juice producer. Cyret implemented JD Edwards EnterpriseOne 9.1 Financial, Distribution and Manufacturing Management modules at Arabian Beverage Company.

The client gained flexibility with Oracle's JD Edwards to upgrade application infrastructure, without risking business operations stability or requiring significant employee training. This helped them reduce IT complexity, minimize system customizations and maintain reliability and stability.

The summit, an Oracle Partner event was themed "It's A Big Deal" and was a platform for Oracle Partners and Users to leverage JD Edwards technology.

JD Edwards Upgrade Champions Accolades

Cyret Technologies achieved a significant milestone in the world of JD Edwards upgrades and implementation. Oracle has rated and placed Cyret among the top companies worldwide to have successfully delivered an upgrade to JD Edwards EnterpriseOne 9.1

Cyret is the first company in the APAC region to successfully complete an upgrade to JDE 9.1. This was accomplished in a mere 53 days. We are also among the top 5 companies worldwide to complete the upgrade to JDE 9.1 from the oldest JD Edwards release. Our client, Mirza International, a frontrunner in the manufacturing and marketing of leather footwear, previously utilized Xe/23.1
